

IN THE DARK IS WHERE PROSPECTORS STRIKE GOLD.

THE TOWN OF RED RIVER was once a busy mining town – nowadays it exports another kind of treasure. Our delicious lineups of craft beers represent both the historic past and bright future of Red River. The Prospector Porter is our homage to the miners that started it all. This dark colored favorite is now available beyond our brewery thanks to our partnership with Admiral Beverage Company. Secure kegs for your bar or restaurant and give your patrons a taste of Red River before it's gone. Contact your ABC rep today!

PROSPECTOR PORTER

THERE ISN'T A "DARK BEER SEASON" IF THE BEER IS GOOD ENOUGH.

Medium-bodied and perfectly smooth, our American-Style Porter has a rich, malty profile loaded with roasted grain. With a dark pour and creamy head, it offers balanced notes of chocolate, with a subtle hop aroma that rounds out the sip, cutting just enough through the residual sweetness for a clean finish.
