Swift's Attic, located in the heart of downtown Austin at 315 Congress Avenue on the second floor above the legendary Elephant Room, brings forth an Austin style and vibe from its historic interior to its menu. The restaurant offers an ebullient escape from the bustling city streets below with its whimsical yet industrial interior.

Swift's global shareable plates menu has been warmly embraced on local, regional and national levels. It's food you've had like you've never had before. Familiarly strange, strangely familiar.
