

WELCOME TO WESTERN SIZZLIN CATERING

Welcome to Western Sizzlin's Catering Menu! All along this pdf are some pictures of our past caterings and some items we have on the menu. We are super flexible and can work with whatever challenge may come up.

We have a lot of items on this but if you do not see something you want just to email or call us, and we will see if we can do it.

Some other items not listed here are fruit, vegetable, and deli meat trays, roasted asparagus wrapped in bacon, and Thanksgiving dinner.

Our caterers have done many weddings and have gotten compliments from each one of our past caterings.

These pages are usually up to date; however, prices are subject to change depending on food prices and labor costs.
